

Staff Management | SMX's Centralized Recruiting Support

Does your operation need recruitment and onboarding support but don't have the need or volume for our full onsite solution? Our dedicated recruitment support team can still provide you with the best-fit workers you need.

BENEFITS OF A CENTRALIZED RECRUITING SUPPORT SOLUTION:

- A **fully customizable solution** that fits your business needs
- Ability to **scale up and down** to match demand
- **Familiarity** with any market across the U.S.
- **Dedicated team members** for 100% requisition coverage
- More **cost-effective**
- **Quick turnaround** and on-demand hiring support
- **Not competing** with other accounts within the same market
- **Extensive outreach** through multiple recruiting channels
- A **large candidate pool** with talent across the U.S. for any type of role

WITH THIS SOLUTION, YOU'LL GET:

- A fully dedicated **remote recruiting team**
- Recruiting, hiring and **onboarding support**
- Access to our **expert recruitment marketing team**
- **Talent intelligence** and wage and bill rate analysis
- **Market intelligence** to determine what other companies are seeking similar talent

Whatever support your company requires to find the right talent, our team is ready for the challenge.
