

STAFFTRACK

Actionable, real-time results

50+ STANDARD REPORTS
AVAILABLE

Stafftrack® is a proprietary hiring and workforce management tool that brings in the right people at the right time. Our system is built for our onsite teams to help them recruit at faster than average rates and maintain fill rate percentages above 90% at all time.

ON-DEMAND ANALYTICS AND OPTIMIZATIONS

Our entire process is enabled by on-demand reporting and analytics. In real-time we can identify and proactively optimize our sites based on historical and predicted future behavior. Our reporting feature also helps ensure compliance metrics are always met and followed up on.

DO YOU STRUGGLE WITH:

- Not being able to optimize processes quickly?
- Not knowing what data can help solve problems faster for your business?
- Not being able to provide data to senior leaders on performance?

STAFFTRACK:

- Allows you to leverage our reports to convey messages to senior leadership.
- Assess your business processes in real-time to ensure productivity is at its best
- Enables our team to evaluate metrics and data on a daily basis to maximize your value of our solution every single day

Stafftrack® shows in real-time how sites are performing and provides opportunities to optimize quickly. To learn more about the Stafftrack® difference, visit meetstafftrack.com
