

# YOUR PRODUCTS OUR PEOPLE

STAFF MANAGEMENT | SMX

Imagine a provider that can give you the workforce to power your manufacturing, fulfillment and distribution facilities

Staff Management | SMX tailors a strategic onsite staffing solution fit to your organization's unique needs and goals. With our solutions in place, you can focus on making the best product—we'll take care of the people.

- ✓ A dedicated team works from within your facility to reduce the burden of demand uncertainty by providing you with a flexible workforce that can scale as quickly as your orders.
- ✓ Our expertise, proven processes and training and technology keep the workplace safe and compliant.
- ✓ We use precision recruiting tactics that combine grassroots and targeted digital strategies to find the best workers for your contingent labor pool and get them to work right when you need them.
